Hymer B584, 3 berth motorhome built on a 2.3 Ltr diesel Fiat engine. This vehicle is equipped with 2 SOLAR PANELS drop down double bed over the cab and a further single bed that converts from the bench seat in the living/dining area. The kitchen boasts a 3 gas burner hob, sink, 3 way fridge with freezer compartment and microwave. The washroom contains a Thetford cassette toilet sink/vanity area and separate shower. Heating and water is controlled by a Truma Trumatic C system. There is ample storage throughout and all upholstery is in excellent condition. The outside of the vehicle has a bike rack and Fiamma 45s awning. Why not book a test drive?
